

## God's Holy Calendar and Feasts

The new year of God's calendar begins on the evening approximately (6 p.m.) on the first new moon; that is the dark of the moon after the spring equinox. This is the first month on God's calendar. (Note: all days begin and end at sundown on God's Calendar and all months begin on the new moon.)

The 14<sup>th</sup> of this first month; which begins at sundown on the 13<sup>th</sup> is Passover and is the evening when Christ had the Last Supper. Remember He celebrated it in the evening before He died and He died on the day of Passover at 3 p.m. and was buried just before sundown on Passover.

The next day, the 15<sup>th</sup> which begins at sundown on the 14<sup>th</sup> is the First day of Unleavened Bread and is a **High Holy Sabbath**. (See John 19:31)

On the Sunday following Passover is the day of the Wave Sheaf Offering which was performed by the priest in Old Testament times. The sheaf is of raw grain (winter wheat) and represents Christ. The significance of this is realized only in seeing the offering of Pentecost.

The 7<sup>th</sup> Day of Unleavened Bread is also a **High Holy Sabbath**.

Counting seven weeks from the Sunday of the Wave Sheaf Offering plus one day (50 days) will bring you to Pentecost Sunday which is the day of The Wave Loaf Offering: this represents The Church; the finished product of the grain (Jesus). The grain went into the ground and died and The Church grew out of that. This is also a **High Holy Sabbath**.

On the first day (the dark of the moon) of the seventh month is the Feast of Trumpets. This points to the gathering of the Church (rapture), the pouring out of God's wrath on unrepentant mankind, the beginning of the gathering of what remains of the Lost Tribes of Israel, and one year to the return of Christ to establish God's Kingdom here on earth. This is a **High Holy Sabbath**.

The 10<sup>th</sup> day of this seventh month is the Day of Atonement. This pictures the returned Christ to make the world at one with the Father; Satan is bound for 1000 years. This is a **High Holy Sabbath** and a day of fasting.

The 14<sup>th</sup> of the seventh month is the first day of the Feast of Tabernacles which last for seven days and pictures the 1000 year reign of Christ here on earth. This is a **High Holy Sabbath**.

On the eighth day of this Feast is the Last Great Day which pictures the Great White Throne Judgment of Revelation 20 when all men great and small will be judged. This is a **High Holy Sabbath**.
