

God's Love

As a writer of Bible studies I usually don't write in the first person because it is not my information that I am putting down in print, it is God's. But this is not like anything that God has given me to write before; this is a dream that I had this past Thursday morning, August 18, 2011, about 3:00AM. And, in order to write about it I will have to do it in the first person.

The prophet Joel said that your old men would dream dreams.

^{Joel 2:28} And it shall come to pass afterward, *that* I will pour out my spirit upon all flesh; and your sons and your daughters shall prophesy, **your old men shall dream dreams**, your young men shall see visions:

^{Vs. 29} And also upon the servants and upon the handmaids in those days will I pour out my spirit.

At age sixty-five I guess that I had better admit that I am becoming an old man, especially when God is speaking to me in my dreams.

I had gone to bed as usual, the evening before around 9:00PM and therefore was in a deep sleep by 3:00AM. This dream was the only thing that I remember about that night's sleep.

The Dream

I was standing before the throne of God and I could barely see Him through His aura of glory that shown like a green transparent light that shown about Him and turned to blue the further you looked away from Him. I was not privileged enough to see Him directly, only in a shadow like through His glory.

As I stood there I ask Him if I could share in His love for all mankind. He said to me that in order to share in it I would have to see it first then I could absorb it. I wasn't sure what He meant but I instinctively knew and trusted my Father and said "yes!"

Immediately a shaft of extremely White Light Energy appeared extending down to my right as far as the eye could see. It had rectangular protrusions perpendicular to it extending towards me. The brightness of this white was beyond anything that is on this earth or can be described by human language.

Instinctively I turn toward the protrusion that was closest to me and started to walk into its energy. As I did, I could feel the energy absorbing into my being. I was a little more than half way through the protrusion when I felt that if I went any further I would explode. I stopped and turned toward God's throne and looked at Him. I could now see His face as He smiled and said: **"Go share this message to all the world; 'That I love them so much that I will repent of what I said that I will do if they will only turn to Me. I created them and they are my children; I take no pleasure in punishing them. I made them to share in my Kingdom.'"**

My Understanding

The dream ended there and I awoke immediately and saw the clock and it said 3:00 AM. I said to myself: "Wow! Thank you father!" Then I went back to sleep.

When I woke later that morning and went over the dream in my mind God revealed to me that I had not only seen but had been in contact with His Holy Spirit; that Whiter than White Light Energy was His Holy Spirit.

His Holy Spirit is the center of God and the Holiest part of His heart and it is the seat of His power; and that power is **LOVE**. That is what I was walking into and “absorbing” was the Holy Spirit. God called it His love for all mankind.

THE HOLY SPIRIT IS LOVE AND LOVE IS THE POWER OF GOD. IT IS THE POWER OF CREATION, OF SALVATION AND ALL OF THE WORKS OF GOD.

This is the reason that Jesus said that you can be forgiven blasphemy of Himself and of the Father but not of the Holy Spirit.

The Message

God told me to tell the world that He would not do what He said that would do if the people would turn to Him. But just what did He say that He would do? Revelation, chapter 16 is the pouring out of the wrath of God during the last year before the return of Christ to establish the Kingdom of God here on Earth.

To put in other words, if mankind will turn to Him, He will skip His wrath and go right to the return of Christ and establishing His Kingdom. He loves us that much that He will forgo His revenge for the blood of His Saints in order to prevent our destruction.

I do realize that is a long shot, all of mankind; but I must start here and now with you reading this: Turn to God; Ask forgiveness for your sins; Try to live the example of Jesus.

May the love of God be absorbed into you.
